

## Enrolling in Year 7 - 2026

### Important Information for parents of Year 6 students looking to enrol for 2026:

The program we have in place for student transition to high school and the process for enrolment is a 3-step process. Whilst we provide the opportunities below, it is essential that you check our Enrolment Management Policy if you live outside our school 'catchment area'. Your eligibility is based on your address and not whether your child is currently at one of the primary schools in our cluster or area. Whilst we consider all applications, places for students 'out of catchment' will be unlikely and you are advised to apply to your nearest high school. We do, however, provide students who live out of our catchment area the opportunity to apply for our Music Excellence Programs. It is most important that all completed forms are received as soon after the opening date as possible to assist with the smooth transition to a high school class for your child. A late enrolment means less time available to best consider suitable class placement and an enrolment application received after Friday 5 December means your child is not eligible to participate in the Year 7 Orientation Day on Tuesday 9 December.

- 1. Enrolment Information Evening** – for any parents/carers considering enrolment of their child into Year 7, 2025. Focus will be on the transition from Year 6 to Year 7, however, parents of younger students are welcome. Students are also encouraged to attend.

  - Step 4 -** **Out of catchment applicants** will be advised of the decision early December once all in-catchment applications have been considered and student numbers are clearer.  
Please be advised that there is a \$50 non-refundable administration fee for all Out of Catchments.
- 3. School Tours** – will be held on Thursday mornings from **8:45 am to 9:45 am**. These tours are for parents and students considering enrolment into Year 7 at our school. Dates are: **22 May, 19 June, 24 July, 14 August, 11 September and 23 October**.

Given the number of students from these schools, places are limited for students from other schools this year. These students will usually have the opportunity to attend days hosted by their nearest high school.

- **Middle Ridge, Withcott and other schools - 4, 11, 18 November**
