

Step 1: Expression of Interest for Enrolment

Verification of proof of permanent residency within our Centenary Heights State High School catchment area will be required when submitting your enrolment application form.

As part of the verification process, the Enrolments Officer may conduct checks to ensure the residency information provided to the school is accurate. This includes:

- Qld Schools Catchment Map <https://www.qgso.qld.gov.au/maps/edmap/>
- the use of RP Data (Real Property Data) to further substantiate your claims regarding your principal place of residence

The Principal may decide to repeal a child's enrolment if any false or misleading information or documents are provided during the enrolment application process and the child is not otherwise entitled to be enrolled at the school.

Applicants should note that a false statement/assertion about the student's principal place of residence may constitute as fraud and can be reported to police to be investigated.
