

Important Information for parents of Year 6 students looking to enrol for 2021:

The program we have in place for student transition to high school and the process for enrolment is a 3-step process. Whilst we provide the opportunities below, it is essential that you check our Enrolment Management Policy if you live outside our school 'catchment area'. Your eligibility is based on your address and not whether your child is currently at one of the primary schools in our cluster or area. Whilst we consider all applications, places for students 'out of catchment' will be very unlikely and you are advised to apply to your nearest high school.

It is most important that all completed forms are received as soon after the opening date as possible to assist with the smooth transition to a high school class for your child. A late enrolment means less time available to best consider suitable class placement and an enrolment application received after Friday 4 December means your child is not eligible to participate in the Year 7 Orientation Day on Tuesday 8 December.

- 1. Information Evening** – Will be held in our Caldwell Performing Arts Centre on **Monday, June 15 at 6pm**. It is at this evening all information about Year 7 in 2021 will be shared with an opportunity to have questions answered.
- 2. Expression of Interest forms** – May be submitted to the Administration Office from **Monday, August 3 (Step 1)**. Upon receipt you will receive email notification within 24-48 hours should approval be given to proceed to the Enrolment Application form (**Step 2**). An Enrolment Application Checklist has been provided on the reverse of this flyer for your preparation. Expression of Interest and Enrolment Application forms may be obtained from Centenary Heights State High School or downloaded from the website listed below.
2021 Information Packs will be mailed mid-Term 4 to all parents who have successfully enrolled their child and whose living circumstances have not changed (Step 3). Out of catchment applicants will be advised of the decision in mid-November once all in-catchment applications have been considered and student numbers are clear.
- 3. School Tours** – will be held on Friday mornings from 10.15 am to 11.15 am approximately. Dates are: **June 18, July 24, August 14, September 11 and October 23**. Please contact our school to register your interest. Students are most welcome.
- 4. Interface Afternoons** – are held on Tuesday afternoons in Term 4 and give students from our cluster schools (Rangeville, Middle Ridge, Gabbinbar, Withcott and Murphy's Creek) a taste of high school. Given the number of students from these schools, it is unlikely that we can accommodate students from other schools this year. These students will usually have the opportunity to attend days hosted by their nearest high school. **Dates are: 13, 20, 27 October and then 10, 17 and 24 November.**
- 5. Music Specialisation Class (7M)** – this class is constructed from students who are successful in the audition process. An application may be obtained from our school administration or website and auditions take place in Term 4 for eligible students who live within our catchment area.
- 6. Orientation Day** – **Tuesday, December 8**. This whole day is for all students with confirmed enrolment by Friday, December 4. Confirmed enrolment includes receipt and processing of enrolment paperwork and associated fee.
- 7. Contact** – Please contact Tim O'Connell (Head of Department Junior Secondary) for further information. You will also find that our website (listed below) will give you a great overview of our school.

Tim O'Connell
Head of Department Junior Secondary

Student Name: _____
Year Level: _____ Year: _____
