Safety - Respect - Learning

3 February 2020

Dear Parent/Carer,

As a new student, to Media Arts, your child is required to complete two forms: **Loan Agreement** and **Film Classification and viewing in Media Arts**.

The Loan Agreement outlines student responsibilities regarding the borrowing and use of school equipment. This form requires acknowledgment from your child and Parent/Carer. The signed section is to be returned to his/her teacher, while the information section will be glued into your child's Media Arts workbook.

Film Classification and viewing refers to the watching of film and television programs (or parts thereof) and the Guidelines given by the *Office of Film and Literature Classification*. As part of the Media Arts course of study, programs shown will be those considered appropriate for students of this age, within a classification category of G, PG and M. Please see the attached sheet for an outline of these guidelines. Regardless of the guidelines, some parents may have particular concerns regarding their child's viewing. Please provide confirmation of such concerns by completed the form below.

Yours sincerely
