

11 February 2022

**Agricultural Subjects - Workplace Health and Safety (WHS) - Subject: Year 11 and 12
Agriculture**

HIGH RISK activity - Stock Handling / Biological Activities / Hand Tool Operation / Chemical Application

EXTREME RISK activity - Tractor Driving, Machinery Operation and Quad Bike Operation

The following information identifies management strategies to ensure students' safety during the activity:

- The activity is conducted and supervised by qualified personnel both on site at Centenary Heights State High School and at Wilsonton Agricultural Centre.
- The activity will be conducted in supervised conditions with appropriate staff; student ratios and individual, one-on-one instructions to students
- Students will be required to wear the appropriate PPE (personalised protection equipment) for the activity.
- Students will be required to follow the safety and operational procedures related to the activity and always act under the direction of their teacher/s or accompanying adult.
- Conditions relevant to the activity such as track conditions, rain, wind etc... will be assessed prior to the activity and appropriate strategies employed
- Students will be required to advise their teacher should they feel concerned during the course of a lesson.

A detailed risk assessment has been completed for each activity.

I give permission for my child _____ to participate in the HIGH risk activity of **Stock Handling**

Parent/Carer Name : _____

Parent/Carer Signature: _____ Date: _____
