

Subject name	Dance
Subject code	DAN (General subject)
Additional Subject fee	Nil
Prerequisites	Minimum C English

Course Overview

The Year 10 Dance subject aims to:

- Acquaint students with the senior course work requirements in the area of Dance.
- Develop skills using the elements of dance to explore choreography, technical and expressive skills.
- Provide practical development of choreography, rehearsal, performance and response as they engage with dance practice across dance genres.

Develop confidence in students in order to provide a smooth transition to Senior Schooling.

Course Outline

Topics may include:

- Technical work within dance genres
- Real world contexts
- Dance fusion
- Responding to Contemporary Works
