***Mrs Sandy Caldwell* is a stand out to me. She was an incredibly kind and generous teacher who showed a genuine love for her students. *Mrs Sandy Armstrong* was also special to me – I loved that you always knew where you stood with her, she had high expectations but helped you reach them. *Mr Henry Thompson* always made me laugh. *Mr Rob Robe* and *Mr Jeff Close*, as our Year Masters, always cared. I could list many more. There were a great number of teachers who showed they valued their profession and the young people in their classes.**

**I was given opportunities to lead at Centenary and this set me up well. I also believe I am the teacher I am because of the great educators I encountered during my time at Centenary Heights SHS.**
