HELP US SPREAD THE WORD

To raise awareness of National Home Doctor Service in your community, we have included with this letter a supply of fridge magnets for distribution to parents, a convenient reminder to call 13SICK whenever someone needs a bulk billed after hours home doctor visit.

If you would like additional magnets or a poster for display on your notice board, please email us at: info@homedoctor.com.au

Australia's largest network of home visiting doctors

NATIONAL HOME DOCTOR SERVICE
NATIONAL HOME DOCTOR SERVICE
IS NOW SERVICING TOOWOOMBA

National Home Doctor Service, Australia’s largest network of after hours, home visiting doctors is servicing Toowoomba from February 2015.

National Home Doctor Service is the largest network of home visiting doctors with over 400 doctors providing after hours care to patients at home and in aged care facilities across Australia.

National Home Doctor Service provides people with access to medical care in the comfort of their home when their regular GP is unavailable.

As we all lead busy lives it can be much harder to see your GP when you need to. Work and family commitments may mean its too difficult to get into the GP before they close.

National Home Doctor Service solves this dilemma by providing an after hours BULK BILLED doctor home visiting service.
