

_____ family technology charter

IN OUR HOME...

technology is a privilege, not a right.

All technology must be
parent-approved +
there is no tech behind closed doors.

Phones don't come to the dinner table,
jobs and homework come before TV or video games &
"turn it off" **IS NOT A NEGOTIATION.**

Devices are handed in before bed time + + + +
we use technology appropriately, or we lose it.

Most of all, we value . . .
family
more than technology.
