### Course Overview

**This subject leads to the following Year 11/12 subject selections: Physical Education (General).**

This subject aims to provide students with an opportunity to experience the General senior subject of Physical Education. In this subject students will learn about concepts, principles and strategies of two topics from Unit 3 of the Year 11 and 12 subject. In Term 3, students will use the inquiry process to engage with tactical awareness. Through authentic practical experiences in touch football students will gather data about their personal performance and devise a tactical strategy to optimise their performance. They will then evaluate how effective their strategy was using primary and secondary data. In Term 4, students will study ethics and integrity. They will explore factors that influence fair play and ethical behaviour. They will research a dilemma and devise a strategy in response to the dilemma to optimise engagement in physical activity.

### Assessment

Term 3: *Project folio multimodal presentation (8-11mins)*

Students will submit a presentation with videos and a voiceover analysing their tactical performance in a position in Touch Football.

Term 4: *Research Report (800-1000 words)*

Students will investigate an ethical dilemma and evaluate and justify a strategy to improve this.
