

Centenary Heights State High School Canteen

Are you able to assist our wonderful
Canteen Staff by volunteering?

The Canteen provides students with a wide variety of food and drinks every day. Funds from the Canteen are used by the P&C to improve school facilities for all our students and staff.

Annie and Helen will warmly welcome you and make sure you enjoy your time working in the Canteen. If you are able to assist please see Annie or Helen at the Canteen and have a chat with them.
