

Margaret Cash (nee Carroll)

My name is Margaret Cash (née Carroll) & I attended CHSH from 1972 - 1974, with my favourite subjects being French & sports. I have been fortunate enough to have travelled overseas to many countries including beautiful France where I could actually speak their language!

One of my happiest memories is being in the school Travellers Club, participating in the fund raising (car washes, discos etc) to help pay for our trips to Cairns (1973) & the Snowy Mountains, Canberra & Sydney (1974).

I now work part time - you could say semi retired!

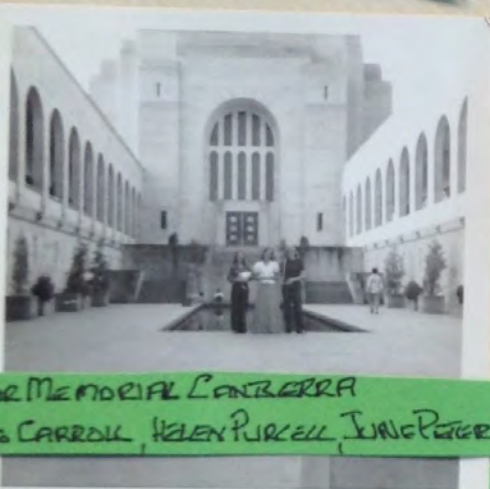

I look forward to catching up with past school mates in 2018.

Toowoomba Hockey Association

(Carnival of Flowers Float)

STATE SECONDARY SCHOOLGIRLS HOCKEY CHAMPIONSHIPS

Monday, 14th, to Thursday, 17th August, 1972
at Queens Park

RDWNS STAR
8.9.73
**Heights takes
hockey title**

On Saturday, Centenary Heights won the B Grade women's hockey premiership for 1973 by defeating Red Lions 3-0. This is the second year in a row that we have taken out the premiership.

The girls did not settle down for some time, and it appeared it was going to be a close, hard-fought game, as all our games have been through the season. However, the forwards started to combine and penetrate the circle, and after 20 minutes Kathy Handley netted a brilliant goal. Kathy did not give up the whole game; she followed all of her shots through, and soon she added another two goals to the score.

Although the other forwards did not score they were always in position.

The forwards were well supported by their halves and fullbacks.

Other outstanding players were Barbara Glasson, Margaret Carroll and Janice Cruickshank.

It was definitely the team-work that won the day for Centenary Heights.

Congratulations, girls!

— R.P.
