

# Rodney John Anderson

What years were you a student at Centenary Heights SHS?

**1982-1985**

How is it you came to study at Centenary Heights SHS?

**Family moved to Toowoomba from Longreach**

What was your favourite subject/s at school?

**Mathematics and Chemistry**

How long has it been since you visited the school?

**1996 (Inservice at CHSHS whilst I was teaching at Toowoomba SHS)**

Was there a teacher/ staff member who made a difference to your time at school?

**Gary McMahon (Mathematics and Chemistry), Trevor Jennings (Mathematics), Mrs Purchase (Typing), Mr Fraser (Graphics)**

What was your favourite memory of your time at the school?

**The friendship amongst my peers during the school years. Of course before social media and electronic communication it has been difficult to remain in touch.**

How did attending Centenary Heights SHS assist you beyond school?

**The school gave students a good grounding in academic and co-curricular activities.**

What are you doing now? **Senior Mathematics Teacher at Moreton Bay College, Brisbane**
